We've got the message, but you've got the delivery!

Casinos will be a net loss for our city.

Politicians are touting the benefits without calculating the costs.

Check out the facts:

Calculate the costs:

\$52 million/year net loss to our city.

How many more libraries, firehouses and pools will we have to close?

Smart and compelling visual communication is where artists excel.

Make us a poster, t-shirt design or video

to help keep our city Casino-Free!

This city has a lot more to offer than cheap, exploitative slots parlors.

Philly Artists: come on and show us what you've got!
